How to Verify & Measure Impacts

1. You will receive an email when someone creates an impact with your group or event. The email will give you the option to verify the impact.
   - Yes, verify impact
   - No, this is a mistake

2. You can also verify impacts by managing impacts. Click Manage Impacts under the Manage button on your group home page.

3. Click the dropdown arrow under Actions to verify the impact(s).
   - Actions
   - Yes, verify impact
   - No, this is a mistake

   - Actions
   - View Reflections

You can verify, unverify, dispute, edit the hours of the impact, request impact details, and more!
